RAFFLE

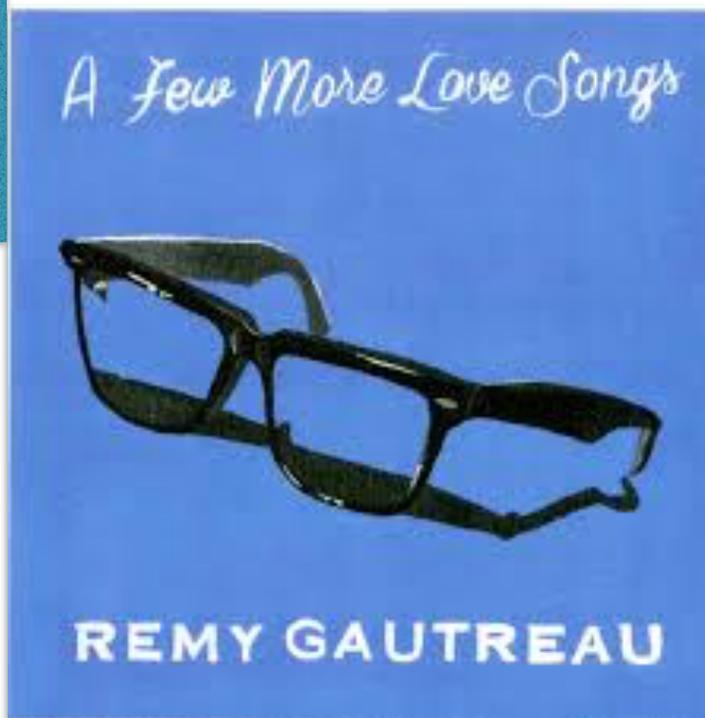

This month one lucky winner gets one of my faves: An autographed copy of "A Few More Love Songs", my son Remy Gautreau's second CD. The album is now out of print, so it's literally a collector's item. It's a collection of cool originals: Soulful Pop like you would want on your radio. Remy, as some of you might know, is a singer/songwriter/producer now freelancing and working as an assistant A & R man. We'll have some exciting news about his career soon; meanwhile, to hear some of Remy's new music please visit his Soundcloud page:

He's worked with both Remy and me and we're always impressed with his talent and versatility. Pat says that he "is passionate about music and the outdoors, and cannot wait until Donald Trump is impeached." He won a 3 month subscription to [Guitarshoptees.com](#).
